

As every year, Reality Twist takes part in Europes largest games fair: The “gamescom” in Colgone. Besides their current portfolio of titles already released and still in development, Reality Twist is also presenting an unannounced project to a selected group.

*If you are interested in an appointment, slots might still be available at a short-term basis. To make an appointment, you can reach us at **ch@reality-twist.com** - also during the fair, from Wednesday till Friday evening.*

The gamescom logo is an international trademark.

About Reality Twist GmbH

Reality Twist develops first-class video games for all premium platforms like the Xbox 360, PlayStation 3, iOS and PC, and designs all type of genres for all kinds of target groups - from smart sport games to exciting adventures. For the Munich-based company, an immersive experience, exciting gameplays and thrilling worlds are always in the focus of its products. Reality Twist is a full service provider and offers the complete service spectrum of game development: from pre- and postproduction, conception, design, producing, project management to marketing. High-class and innovative products as well as sustainability are the primary goals during the development. Reality Twist therefore sets high values in an excellent educated team, consisting of programmers, authors, game designers and artists as well as a multiplatform-approach during the development of its products.

Besides a huge know-how about popular game-engines like Unity3D or Trinigy Vision, Reality Twists continuously improves its own basic technologies. By this, the company guarantees its clients not only a technological head start but also a high-efficient and above all a predictable development process. Apart from its own productions, Reality Twist also accepts work-for-hire-projects from other game developers or publishers. For the industry, the company develops professional, interactive simulators for theme parks. Reality Twist is supported by the level up program of “Game Connection”, Microsoft’s BizSpark initiative and the FilmFernsehFonds of Bavaria (FFF Bayern).
