

## Reality Twist and Chimera Entertainment complete „Word Wizards“ prototype

*Developers Reality Twist and Chimera Entertainment completed the prototype of the game “Word Wizards”. In 2009, the game received a subsidy by the [FilmFernsehFonds Bayern](#), now the final prototype will be shown to interested business partners at the gamescom 2010 fair in Cologne.*

*„Word Wizards“ is an innovative mix between Scrabble and a role playing game. The player fights in thrilling duels against mighty creatures and unleashes enormous spells and attacks by forming magic words. More information to the game can also be found on the [webpage of Chimera Entertainment](#).*

*Word Wizards is available for numerous platforms, amongst them PS3 and the Xbox360.*
